**Before The Disaster**

**Should You Evacuate?**

Yes, if you:
- Live in a hurricane evacuation zone.
- Live in a low-lying or flood-prone area.
- Live in a mobile or manufactured home or recreational vehicle.
- Require a respirator or other electricity-dependent medical equipment.

No, if you:
- Live in a sound structure and the categories under “yes” do not apply.

**Staying home**

If you are not required to evacuate, please:
- Protect your home and property.
- Check your disaster supply kit.
- Stay in your designated safe room during the height of the storm.
- Stay away from windows and glass doors.
- Turn off the electricity at the main fuse or breaker box if flooding threatens.
- Run your generator outside the house and connect your appliances directly to the generator.
- Do not connect the generator directly to the fuse box or incoming power line. Back-feed ing generators have killed power company line workers.

**Evacuating**

- Know where you are going: family, friends, hotel/motel, public shelter.
- Take a map showing two routes.
- Notify family, friends, caregivers of your location.
- Secure your home and property.
- Take emergency supplies.
- Listen to news reports to find out when it’s safe to return home.

**Items to take to a shelter**

- Special dietary food, snacks or comfort food.
- Bedding, pillow, blanket, etc.
- Prescription medications and medical supplies.
- Oxygen supplies or arrange with your oxygen company to deliver to the designated SNS shelter.
- Toiletry items, flashlights/batteries, extra clothing.
- Diapers, infant and elderly/disabled necessities.
- Time occupiers such as books, magazines, games and cards.
- Important papers, credit cards, cash and identification.

**Using Deltona’s shelters**

Evacuues using shelters in the Deltona area first should travel to the shelter information points (SIPs) at Deltona High School or Pine Ridge High School to receive detailed directions to the nearest open shelter.
- Easy access to the shelter information points is available from Maytown Road, S.R. 44, I-4 and C.R. 415. These locations are marked clearly on the map.
- Before a storm threatens, practice driving or map two routes to the Deltona SIPs.
